Our mission is to make golf accessible to all and we provide inclusive opportunities both on and off the course and across all areas of our operation. Padeswood & Buckley Golf Club is open to everyone and has one of the strongest representations of women golfers in Wales.

Padeswood & Buckley Golf Club want more women, girls and families playing golf so:

- We commit to delivering annual recruitment initiatives targeting women/girls/families e.g. through New2Golf/Back2Golf including a staggered membership deal for women

Padeswood & Buckley Golf Club want more females (and young people) in decision making and volunteer roles so:

- We commit to include volunteer female golfers in our Governance Project
- We commit to have a list of mentors (male or female) to play with new/learner members

Padeswood and Buckley Golf Club want a more welcoming and inspiring environment for women, girls and families so:

- We commit to providing on-course toilet facilities for females
- We commit to increasing visibility of female and family orientated imagery within club communications and on the club website
- We commit to develop facilities to encourage beginner golfers e.g. 9-hole card available on blue tees or a fun competition e.g. 9 and wine
- We commit to having a variety of club house activities e.g. quiz nights, Whist, craft sessions, entertainment shows

We are committed to achieving our pledge and will continue to work collaboratively with our County and Wales Golf to encourage Women and Girls of all ages into the game of golf, nurture those already playing and provide every opportunity for Women to engage in the running and management of the Club.
