#### 4. Rules

- a) **Agreeing a Venue:** In all Preliminary Rounds, the venue shall be selected by mutual consent and the round must be played within the stipulated time. It will be appreciated if clubs, whose courses are selected, would permit matches to be played without payment of green fee. **The permission of those clubs must be obtained before matches are played.** Clubs are required to notify their opponents if any of their players are also members of the club where the proposed match is to be played and, if this is the case, then it can be grounds for refusal to play the match at that venue.
- b) **Agreeing Matches:** Equal responsibility lies with both clubs regarding contact to agree matches. If no mutual agreement is reached regarding the date or venue of any match, the Championship Manager must be informed and the match shall be played at 2.30pm on the last qualifying date at a venue chosen by Wales Golf. If matches are not played by the specified dates, both teams will be scratched, subject to the right of the Chairman of the Championship Committee to grant a walkover to one of them.
- c) **Handicap Certificates:** Each Team Captain must produce current handicap certificates for each team member if requested to do so by their opponents.
- d) **Results:** The winners of each match are to report the result immediately to the Championship Department: [championships@walesgolf.org](mailto:championships@walesgolf.org)
- e) **Disputes:** All disputes must be referred to the Championship Manager, Wales Golf who will resolve them by use of the Rules of Golf as approved by the Royal & Ancient Golf Club of St Andrews and the conditions of entry published in relation to this Championship. If it is not possible to resolve a dispute by the above method, the Championship Manager will place the issue before the Championship and Rules Committee and its decision shall be final.
