

National Transition Programme

Aim **To support players who have recently represented Wales at junior level but aim to represent Wales at senior international level in the near future and progress towards the National Performance Programme**

Objectives

- Provide reactionary support based on an agreed performance plan designed by the player in conjunction with the GUW Performance Staff Team
- Deliver performance workshops based on the needs of these players to enhance their learning and progression
- Provide opportunities and funding for players to compete in appropriate international events

Programme Content

- Data Collection sessions to aid the design of performance plans
- Individual sessions with members of the GUW Performance Team based on the agreed performance plan
- Part funding for international tournament based on agreed tournament schedule
- Themed Performance Workshops
- Access to Performance management tools (Edufii, Shotstohole etc.) and support from GUW Performance Staff as agreed

Eligibility to Apply

- Member of Welsh Boys or Girls team (Home International Matches or European Young Masters) in 2016 or 2017
