

Pre-Academy Programme
(Commencing Jan 2018)

Aim **To educate players (and their parents) on the elements involved in Performance Golf and enable them to begin their journey to this level**

Objectives

- Support young players, and their parents, in terms of psychology and lifestyle planning to aid the long term development of the player
- Outline the fundamental technical skills which are required for acceptance into the Academy Squad
- Provide young players, with information and advice to enable them to build a personal performance team to aid their progression within the game
