

## **ABERDARE GOLF CLUB – WOMEN IN GOLF CHARTER**

**Aberdare Golf Club has a long tradition of encouraging and embracing women and girls into the game of golf and wholeheartedly pledges its support and commitment to the Women in Golf Charter. Our mission is to make golf accessible to all and we provide inclusive opportunities both on and off the course and across all areas of our operation. Aberdare Golf Club is open to everyone and has one of the strongest representations of women and junior girl golfers in Wales.**

***We commit to engage with Wales Golf and deliver New2Golf activity specifically targeting Women and families***

***We commit to increasing our Junior Girls section by 20% in 2021***

***We aim to strengthen our Ladies section by encouraging Junior Girls to enter in all competitions and participate in the section with senior mentors. The mentors will be current and past players who have volunteered to promote the club, primarily but not wholly the Ladies and Girls section.***

***We will hold a family golf week as part of our Centenary Year in 2021 to encourage local community and family participation in the Club celebrations.***

***We will adapt the old bar area which will be promoted as a coffee lounge during the day and in the summer daylight hours it is linked to the patio providing views over the Cynon Valley. The patio is to be developed along with the bar to make it more welcoming and cakes and snacks will be available throughout the day.***

***We will promote the charter through the Ladies weekly Newsletter, which will keep the section informed of competitions, events and promotions at the club, particularly those lady specific.***

We are committed to achieving our pledge and will continue to work collaboratively with our County and Wales Golf to encourage Women and Girls of all ages into the game of golf, nurture those already playing and provide every opportunity for Women to engage in the running and management of the Club.
