## Women in Golf Charter Pledge

Maesdu Golf Club is fully committed to making golf accessible to all and ensuring that an established and inclusive equal opportunities policy is vigorously upheld.

### Maesdu Golf Club Charter Commitments

#### More women, girls and families playing golf

- To commit to working with Wales Golf to promote golf through the local schools, junior academy and New2Golf initiatives to achieve a balanced representation across all ages and abilities.
- To commit to promoting close links between new female members and the established Ladies section to ensure inclusion, including a displayed list of established members who are willing to play with new and learner members.

#### More females (and young people) in decision making and volunteer roles

- To have one Club President which can be either male or female and appointed through a fair, transparent selection process.
- The Junior Section Captain can be either male or female.

#### More welcoming and inspiring environments for women, girls and families

- To commit to positive discrimination of tee booking times to the Ladies Section for competitions. To examine how this can be enhanced to include evening and weekend times to attract working women.
- To commit to further increases in mixed social competition golf, especially mixed board competitions within the club and for Ladies and mixed open competitions to be included within the main club open week.
- To provide a permanent purpose built waterless eco toilet facility on the course.
