MESSAGE FROM THE **PRESIDENT OF THE EUROPEAN GOLF UNION**

On behalf of the European Golf Association, I wish to express our most grateful thanks to Wales Golf and Conwy Golf Club for hosting the 2022 European Ladies' Team Championship.

I am sure that all competitors will renew friendships and make new ones during our Championship, and that they will keep fond memories of the event.

Generations of golfers have improved their game through the EGA's Championships and it is not surprising that European golfers are now recognised at the highest level having participated in our Championships.

Best wishes to all competitors and to all those involved in the event for a very happy and successful Championship.

Jan Hubrecht

MESSAGE FROM THE **PRESIDENT OF WALES GOLF**

As President of Wales Golf, it is my pleasure to once again welcome the very best amateur golfers in Europe to our country.

We are excited by the continued legacy this Championship brings to elite female golf in Wales, following a hugely successful Curtis Cup in 2021 and through to the Women's Open Championship in 2025.

Our sincere thanks must be passed onto The R&A and to our host club Conwy Golf Club for their support of the Championship, and to the many volunteers and staff which have worked tirelessly to contribute to the success of the tournament.

I am confident that Conwy Golf Club and Wales will play host to wonderful week of elite Championship golf. Pob lwc I'r cystadleuwyr!

Dr. Val Franklin

President,
Wales Golf

CONWY GOLF CLUB

The Club & Course sat between the Snowdonian Mountains and the mouth & estuary of the River Conwy, the Championship Links is the third oldest club in Wales (est. 1890) and a founding member of the then Welsh Golfing Union.

In that time, the club has hosted a range of high profile Championships in both the amateur and professional ranks. The most recent of which were the 42nd Curtis Cup matches between Great Britain & Ireland and the United States last year, where in a tight match throughout the USA triumphed 12-8.

The course itself is likely home to the first golf played in Wales in the mid-19th Century, courtesy of three enthusiastic Scotsmen laying out some holes on the Morfa.

Fast forward 150 years, the course provides an equally beautiful and challenging test with strong bunkering throughout and a set of holes at the finale of the round designed to test all facets of the game.

At all times the golfer is greeted with the stunning backdrop of Snowdonia National Park, as well as the Great Orme protruding into the Irish Sea. A great golf course framed beautifully awaits!

EUROPEAN LADIES' TEAM CHAMPIONSHIP

TERMS OF COMPETITION AND LOCAL RULES

1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) Member National Golf Authorities.

If the number of entries should exceed the maximum (20), the Committee shall decide which teams will be invited to participate based on past participation, past results or both until a Division 2 is officially introduced.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be female and:

- a) amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- b) citizens of the country represented. Players with dual citizenship may only represent one country per year;
- c) playing with a WHS Handicap Index (or other equivalent) of 9.0 or better

Penalty for Breach of Eligibility Term:
disqualification of player.

1.3 Format

A maximum of 20 teams shall be eligible to participate and each shall comprise six players.

The Championship comprises two stages played in accordance with the 2019 Rules of Golf as approved by R&A Rules Limited, the EGA Generic Terms of Competition and Regulations, EGA Hard Card and the Local Rules as approved by the Championship Committee at the championship.

1.3.1 Stage 1 - Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the seeded draw for the match play, which commences on Day 3.

- a) *Order of Play*
Team Captains will determine the order of play within their teams for Days 1 and 2 using an official order of play form. If the order of play form is not submitted to the Committee:
 - I. for Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname;
 - II. for Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.
- b) *Scoring*
The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score.
- c) *Decision of Ties*
A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. For further ties, the sum of the two second lowest scores, the third lowest scores, the fourth lowest scores and, finally, the sum of the two fifth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final stipulated 18, 9, 6, 3 holes or last hole of the best score from each of the tied teams.
- d) *Substitutes*
If a substitute player is required, the Committee must be notified, at the latest, 30 minutes before the first tee time of Day 1. After this deadline, the team must remain with the same players for the

entire Championship. A substitute player is permitted for any reason, but may not participate in the practice rounds until she has been officially substituted for a team member with permission from the Committee. A breach of this Term may result in the substitute player not being permitted to compete.

e) *Absentee Player*

In the event that a registered team member cannot participate in a stipulated stroke play round, the team's five scores will count. In the case of a decision of ties, the team with the absentee player shall finish last. If more than one player is absent, the team shall automatically assume last place in the match play draw. The remaining players shall be permitted to play their stroke play rounds, which the committee may use to determine match play seeding when more than one team has two or more absentee players.

1.3.2 Stage 2 - Match Play

Irrespective of the number of teams entered, only teams in contention for a medal will play a match format of two foursomes and five singles. All other teams will play a one foursome and four singles match format.

The stroke play will determine a seeded order for the match play. A maximum of 20 teams will be divided into a first flight of eight teams: 1 vs 8; 2 vs 7; 3 vs 6 and 4 vs 5, second flight of eight teams: 9 vs 16; 10 vs 15; 11 vs 14; and 12 vs 13 and a third flight of four teams who will play a round-robin with the team qualifying 17th playing the teams qualifying 20th, 19th and 18th on Days 3, 4 and 5 respectively. If there are fewer than 20 teams, the seeded draw will change according to a standardised EGA format. A win in either a foursomes or singles match shall return one point, a tied match, half a point (see 1.3.2 (d)) and a loss, zero points to the team's score. The results of the round robin will be determined based on points accumulated, with one point awarded for a win, half a point for a half, and zero point for a loss. In the event of a tie, the final positions will be decided by the number of individual matches won and, if necessary, by the number of holes won.

a) *Order of Play*

Team Captains must provide the Committee with their team foursomes and singles orders of play using the official order of play form:

- I. for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- II. for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous day.

Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname.

Once the official deadline to submit the order of play form has expired, changes in the order of play are not permitted.

Exception: substitute Term 1.3.2 (b).

Penalty for Breach of Term 1.3.2 (a): disqualification of all players out of the pre-stated order of play. The draw will be published as soon as possible after the deadline has expired.

b) *Substitutions*

One substitution for the medal-contention foursomes and one substitution for the medal-contention singles may be made for any reason. The Committee must be notified of a substitution no later than 30 minutes prior to the team's first foursomes / singles tee time. The substitute will take the position of the player she substitutes. The substitution will be published as soon as possible after the deadline has expired.

c) *Tied Matches*

In the event of a match being all square after 18 holes in any round, players shall continue to play until one wins a hole, when the match will be considered won.

Exception: Term 1.3.2 (d).

d) *Concession of matches*

When a final team match result is already decided, an individual match may be tied if all participants in that match agree.

Note: after 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match in

question will be tied.

Exception: if the matches within a flight are to be played as a round robin, players must play until the end of the round which will not be extended into extra holes.

3) *Absentee Players*

In the event that one (several) registered team member(s) cannot participate in a match play round, matches shall be forfeited at a position within the order of play according to the following principles:

I. Foursome matches must not be forfeited and must always be played.

Exception: in a medal-contention match, if a team has three absentee players, one foursome will be forfeited.

II. Non-Medal Contention Matches

i. If the “withdrawal” occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player placed in the position of his or her choice in the singles and that match will be forfeited.

ii. If the “withdrawal” occurs after the official deadline to submit the order of play form has expired,

- if the absentee player is listed to play in the singles: his match shall be forfeited,
- if the absentee player is listed to play in the foursome, he will be replaced by one of the players listed to play in the singles. The replacement will be determined by lot and his single match shall be forfeited.

If fewer than four players are available to represent a team, that team must forfeit its match.

III. Medal Contention Matches

i. If the “withdrawal” occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player(s) placed in the position(s) of his or her choice and the match(es) shall be forfeited.

ii. If the “withdrawal” occurs after the official deadline to submit the order of play form has expired, the

ii. If the “withdrawal” occurs after the official deadline to submit the order of play form has expired, the absentee player(s) match(es) shall be forfeited.

Exception: Term 1.3.2 (b).

If fewer than three players are available to represent a team, that team must forfeit its match.

Note to I, II and III: In the event that opposing teams would each have one or more absentee players, then these players would be deemed to have been paired together and to have tied their match. Should this require the re-pairing of matches, the player(s) in the match(es) impacted higher in the order of play will descend to play the player(s) in the other impacted match(es). A team match tied result would be decided by stroke play qualification position.

1.4 Practice

A team player, team captain or advice giver will not be allowed to practice on the championship course for a period of fifteen days prior to the first official practice day, unless he or she is a member of the golf club at which the championship is being played. Each team must nominate a Team Captain who must be an amateur golfer in accordance with the Rules of Amateur Status as approved by R&A Rules Limited.

Penalty for Breach of Local Rule:

Procedure if a team has not nominated a Team Captain: the player whose surname comes first alphabetically will automatically be appointed the team captain.
