ABERGELE GOLF CLUB – WOMEN IN GOLF CHARTER

Abergele Golf Club has always actively encouraged and embraced women and girls into playing and enjoying the game of golf. We value the importance of inclusivity, diversity and equality within the game. We will actively continue to do so and pledge our support and commitment to the Women in Golf Charter and to those who join us along the way.

Our goal is to continually encourage and embrace our current women and girls as well as actively seek new members. We also aim to make golf as accessible to all providing inclusive opportunities on and off the course. We are proud to form this partnership with Wales Golf and the R&A to continue to support women and girls in golf.
